## *Cosmetic Services*

---

**PORCELAIN VENEERS** | wafer-thin shells of porcelain that are bonded onto the front side of teeth to create a cosmetic improvement for a tooth.

**TEETH WHITENING** | removes stains that collect over time on the dentin surface located under the outer tooth enamel.

**INVISALIGN** | a custom made series of smooth plastic aligners that gradually straightens your teeth.

**BOTOX** | a prescription medicine that is injected into muscles to temporarily improve the look of moderate-to-severe frown lines between the brows in people 18 to 65 years of age.

**JUVÉDERM** | a smooth gel filler to instantly smooth away wrinkles around your mouth and nose.

## *Preventative Hygiene*

---

**ROUTINE CLEANINGS** | for children and adults

**SEALANTS** | protective coating to prevent cavities in children
